PROFILE

BIOGRAPHY

Andrés Henao, known artistically as 8BATZZ, is a 24-year-old Colombian DJ and producer born in Pereira, Risaralda, Colombia. His musical identity blends Afro House, Tech House, and Afro Melodic. Connected to the stage since the age of 14, he has developed an artistic vision that brings together rhythm, melody, and energy with a clear purpose: to create experiences that bring people closer through music.

MUSICAL JOURNEY

His performances include Russian Samovar in New York, MITA in Miami, and Fortuny Home Club in Madrid, Spain. In Colombia, he has shared his music at Baren and No11z in Medellín, Buenos Amigos in Armenia, and Hooka in Pereira, Risaralda.

As a producer, he continues to shape his sonic identity through works such as “Oasis,” “Only Good,” and “Loosing Time,” the latter in collaboration with Camzz. His sets combine percussion, melodic atmospheres, and the power of groove, adapting to the crowd’s energy and the character of each venue.

ENTREPRENEURSHIP & PURPOSE

In addition to his artistic career, 8BATZZ is an entrepreneur and founder of Abrakadabra, a company created with the purpose of supporting talented young people and generating opportunities for their growth. His music platform, Abrakadabra Realm, brings this vision to life by creating spaces for connection, collaboration, and artistic expression.
